~~~~~

We continue to explore what it means for us that Jesus is alive and well on planet earth. Would it be true to say Jesus is alive and well in our generation, throughout our community, in our lives or in the church?

What is God saying by raising Jesus from the grave? Have we fully understood its power and impact?

So, what does Jesus' empty tomb really mean for us?

Well, it...

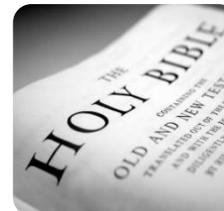

- Proves Jesus was who he said he was
- Underlines the importance of Jesus' teachings
- Shows salvation is accomplished
- Guarantees God will raise us from death
- Enables us to live that life NOW!!
- Gives us power to live life God's way
- Affirms Jesus as Head of the Church
- Guarantees Jesus will return
- Means God's mercy will bring ultimate justice.

## *Devoted to Prayer*

Father God, I know this earthly life is short and fleeting but I want to live today as if it were the first day of my life, giving thanks for every good and perfect gift you choose to give. Today, and every day, I want to live my life for you. In Jesus name, Amen.
